서술형 (Short-Answer Questions) - 예시답안

1. Quick reactions can worsen situations in modern society, so we should be cautious about responding too fast.
2. Young children are unwilling to share their toys because they are strongly attached to their possessions.
3. The Inuit song duel resolves conflicts through humor and music, and the winner is determined by skill and humor.
4. Having too much information can make decision-making difficult because trying to consider all the details can cloud judgment.
5. Foreshadowing helps readers predict the story's outcome and enjoy connecting the clues. For example, in the movie Titanic, there are multiple foreshadowing moments indicating the ship will sink.
